Celebrating 250 Years of Freedom

This month, as our nation marks its monumental 250th Independence Day, we pause to give profound thanks to God for the enduring blessings of liberty. As we celebrate America’s milestone anniversary, let us continue to pray for our nation, our leaders, and our community, striving to be a beacon of His grace and truth.

Youth Fishing Tournament: A Resounding Success!

Our recent Youth Fishing Tournament was an incredible day of fellowship, fun, and faith. We are thrilled to report that 50 young people came out to cast their lines! Most importantly, the Gospel was shared clearly with everyone in attendance.

Heartfelt Thanks: A huge thank you to all of our partnering churches and the individuals who gave their time, resources, and prayers to make this event possible. Your support is directly investing in the next generation.

Serve With Us: A Vision for Randolph County

Do you have a deep love for Randolph County? Do you long to see the name of Jesus exalted in every single corner of our community?

The Randolph Baptist Association is currently seeking dedicated individuals to serve with us. We are looking for people passionate about local ministry, collaboration, and kingdom growth. If you feel called to help shape the future of our association and impact our county for Christ, we want to hear from you!

Get Involved: Contact the Association office today to learn about current service opportunities and how you can plug in. Let’s labor together for His glory!

The Power of the Word

“They read from the Book of the Law of God, making it clear and giving the meaning so that the people understood what was being read.” — Nehemiah 8:8

When the walls of Jerusalem were finally rebuilt, Nehemiah didn’t just throw a party—he called a solemn assembly. Ezra stood on a wooden platform, opened the Scriptures, and began to read. But notice what the leaders did: they didn’t just recite the words; they took the time to make it clear and give the meaning.

Real, lasting revival always starts with understanding God’s Word. It is not enough for Scripture to be heard or simply admired; it has to be understood so it can be lived out. As we serve our churches and neighbors in Randolph County this month, let that be our standard. Let’s not just talk about faith in abstract terms. Through our ministries, our conversations, and our lives, let’s make the Gospel so clear that everyone around us can understand the depth of Jesus’ love.

Reflection: How can you help someone understand the Gospel a little better this week?

Your Servant, Jeff
